Dear [Manager's Name],

I hope this email finds you well.

I am writing to formally request a salary increase, effective [from 13th of october] I have been with [DP Studios] for 4 years, and during this time, I have consistently exceeded expectations in my role as [Marketing Mangement]. I have ["Increased sales by 20% in my last fiscal year" and "Successfully launched a new product line that generated \$1 million in revenue"].

I have also taken on additional responsibilities, including ["Taking on the role of team lead for a new project"

"Mentoring and training new team members"]. These new tasks have significantly increased my workload and the complexity of my role.

I believe my contributions to the company have been valuable, and I am confident that my current salary does not accurately reflect my value to the team. I am requesting a salary increase of [10k to 15k] per year.

I would be happy to discuss this request further at your earliest convenience. Thank you for your time and consideration.

Sincerely, ks...
